E-Mail: churchvillenaturecenter@buckscounty.org * Web-site: www.churchvillenaturecenter.org

Dear Teacher,

Attached below is a shopping list of items available for advanced order from the Churchville Nature Center Gift Shop. These orders are only available to visiting school groups and can fit with any of our programs. In addition to the general store items, we have made some items from our Lenape Trading Post available to schools specifically visiting the Lenape Village. We have items from all 7 of our stations available. Just photo copy the attached order form and send it home with your students to fill out with their parents and return to you with the exact amount due. Please note that we have already figured the PA State Sales Tax into the price of each item on the order form for the students, so they need not worry about calculating that percentage. The Nature Center will accept personal checks from parents if that is how they wish to pay for their child's order. Please have them make all checks out to "**Churchville Nature Center**". If you check our web site you can make sure the process is fully up to date.

Drop off your orders at the gift shop upon arrival at the Nature Center, and we will bag the orders while you and your students are enjoying your program. When you leave, stop by the gift shop and we will have all of your students' shopping bags all neatly packaged into a larger bag for you to distribute back at school. Please stress to your students to make sure that their name is on their order form and that they have correctly added up their purchases. All of the money from the sales will go to the Friends of Churchville Nature Center to continue our work of environmental education and to help upkeep the Lenape Village.

If you choose to use either of these options, please give the Center a courtesy call at 215-357-4005, or email us at Churchvillenaturecenter@buckscounty.org, **the week before** to let us know that you will be shopping with us. This gives us time to properly prepare for your students. We often have several schools here at one time, so we want to make things run as smoothly as possible for all parties involved. If you have any questions about our gift shop or resources available for purchase, don't hesitate to give me a call.

Sincerely,

Marge Custer
Lenape Village Director
