ABOUT OUR CAMPS
Our camps are structured, educational, and fun learning experiences. Each week features a nature related topic, with lots of outdoor activities, crafts related to the topic, and games. Our staff is comprised of one experienced educator for each age group, assisted by two or more volunteer counselors over the age of 14. The whole camp is overseen by the Camp Director, Peg Mongillo. (email: pamongillo@buckscounty.org)

Please Note
We will not be supplying daily snacks or lunch during the camp week. If your child requires a snack during the day you may send one with them.

Drop Off & Pick Up
Drop off and pick up are in the nature center’s exhibit hall. A parent or guardian must sign each child in and out. Children should bring a labeled water bottle. Lunches must also be labeled.

Registration
The latest you may register for a week of camp is by Friday the week before.

Please Note
We will not be supplying daily snacks or lunch during the camp week. If your child requires a snack during the day you may send one with them.

Age Groups
Tadpoles: 4-5 yr old
Junior Naturalists: 6-9 yr olds
Explorers: 8-13 yr olds

Week#3— Berry Fest  Week #8— Family Game Day
Week#4— Fish Prints  Week#9— Charades
Week#5— Mud Olympics  Week#10— Rock and Roll Party
**Weekly Themes**

**Tadpoles & Jr. Naturalists**  
4-9 years old  
Miss Diane and Miss Linda

**Week #1: June 22 - 26**  
WEIRD & WILD ADAPTATIONS From smart weeds and sticky seeds, to flying squirrels and carnivorous plants, we’ll learn all the ways Mother Nature is a wondrous and creative force!

**Week #2: June 29 - July 3**  
REPTILES AND DINOSAURS We start the summer learning about reptiles and amphibians with a healthy dose of dinosaurs thrown in. We’ll meet the nature center’s reptiles and maybe some wild amphibians too!

**Week #3: July 6 - 10**  
FAIRY & GNOME SCHOOL This week we’ll see how far our imagination can take us! Find & make fairy and gnome dwellings in the woods, make natural crafts, and learn about the magic in plant and animal life. Pick your own animal helper, and adorn your own wand and staff with crystals and gems.

**Week #4: July 13 - 17**  
FISHING FUN We will make our own fishing rods and find our own bait. We’ll learn how to cast and what we need to put in our own tackle box to ensure a successful day of fishing. We’ll learn about the fish that live in our lake and pond.

**Week #5: July 20 - 24**  
MUD, MARSHES, & MUCK Who and what likes to live where it’s muddy and wet? We’ll follow some muddy footprints and trails to find out! We’ll end the week by making a gigantic mud slide!

**Week #6: July 27 - 31**  
SUPER SCIENCE Experiments, experiments, and more experiments! Let’s shoot rockets, make slime, and so much more! We’ll also plant a seed or two so we can watch it grow, and visit close up with the reptiles and amphibians that live here.

**Week #7: August 3 - 7**  
WILD-CRAFTING Timed to coincide with the ripening of raspberries and blackberries, we explore the world of wild edible plants. We’ll collect fruits, roots, nuts and leaves to make a variety of beverages, nibbles, salads, and maybe some natural dyes or ink to share at Berry Fest.

**Week #8: August 10 - 14**  
OUTDOOR FUN We’ll have heaps of fun outdoors as we make natural crafts and games, build shelters in the woods, dig up natural clay in order to make creations from it, roast marshmallows around a campfire & so much more!*

**Week #9: August 17 - 21**  
STORYBOOK ADVENTURES We’ll take our favorite stories and recreate them with so many books and stories to choose from, the possibilities are endless. Bring your imagination & favorite stories and let’s find some adventure!

**Week #10: August 24 - 28**  
EARTH, WIND & FIRE We’ll get dirty and look up close at what composes soil and find seeds. We’ll make sailboats that like to blow in the wind, and start our own rock collection!

*There will be some hand tool use, such as saws and whittling knives. Use of tools will be closely supervised.*

---

**Explorers Camp**  
8-13 years old  
Mr. Dana

**Week #1: June 22 - 26**  
WEIRD & WILD ADAPTATIONS From smart weeds and sticky seeds, to flying squirrels and carnivorous plants, we’ll learn all the ways Mother Nature is a wondrous and creative force!

**Week #2: June 29 - July 3**  
REPTILES AND DINOSAURS We start the summer learning about reptiles and amphibians with a healthy dose of dinosaurs thrown in. We’ll meet the nature center’s reptiles and maybe some wild amphibians too!

**Week #3: July 6 - 10**

SUPER SCIENCE Experiments, experiments, and more experiments! Let’s shoot rockets, make slime, and so much more! We’ll also plant a seed or two so we can watch it grow, and visit close up with the reptiles and amphibians that live here.

**Week #7: August 3 - 7**  
WATCH IT GROW! By popular demand from campers, we present to you gardening week! Become an expert gardener by the end of the week by helping Dana seed, transplant, weed, and feed the soil what it needs in our very own Wildlife Garden. We’ll grow an abundance so you can take flowers & vegetables home with you!

**Week #8: August 10 - 14**  
OUTDOOR FUN We’ll have heaps of fun outdoors as we make natural crafts and games, build shelters in the woods, dig up natural clay in order to make creations from it, roast marshmallows around a campfire & so much more!*

**Week #9: August 17 - 21**  
STORYBOOK ADVENTURES We’ll take our favorite stories and recreate them in nature. With so many books and stories to choose from, the possibilities are endless. Bring your imagination & favorite stories and let’s find some adventure!

**Week #10: August 24 - 28**
